Relief for the Afflicted. CLARKE'S Genesee Liniment.

Prepared upon the most scientific principle, and

finity thereof, forming a remedy better calculated to permanently cure the following ciseases than any other ever yet discovered : In man cures Rheumstism, Swellings, Sprains, Bruses, Cramps, Pains in the limbs, back, bresst, side or hips, weak or stiff joints, tooth-ache and pains in any part, &c. In horse , swelling, spavin,

wind-galls, callous, lemeness, sirains, scratches, old sores, corks, stiff joints, jumps, ring lone, jamed shoulders, &c., &c. Prepared by Dr. Wm. larke, Brooklyn, N Y .-None genuine without the signature of Wmlarke. For sale by B St. venson, Carroliton, and n every village in the county.

\$500 CHALLENGE.

Whatever consernes the health and happiness a people is at a I times of the most va unble importance. I take it for granted that every peron will do all in their power, to save the lives of their children, and that every per on will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solumly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are bable; it you have an appetite continually changes to from one kind or ood to another. Bud Beath, Pain in the Stomach, Picking at the Nese, Hardness and Puthers of the Belly, Lry Cough, Slow Fever Pulse Irregular-remember that all these denote WORMS. Valencia, Cashmere, Silk and Satin Vestings, and you should at once at ply the remedy :-

HOBENSACK'S WORM SYRUP. Stomach, which makes it an Intalliale remedy for sideration. They are pleasant in taste and those off inted with Dyspersia, the astonishing smell, and can be used by pareons with the most officacy over all others.

Another Scientific Wonder! CREAT OURE FOR DYSPEPSIA!

THE TRUE

DIGESTIVE FLUID OR, GASTRIC JUICE Prepared from Rennet, or the fourth stomach of

the ox. after directions of Baron Liebig, the great Physiological Chemist, By J S. Houghton, M. D., Philade phia, Pa. word Pepsin. It is the chief element, or great digesting principle of the Gastric Juice- the sol-

vent of the lood, the pu ifying, preserving, and stimulating agent of the stomach and intestines. It is extracted from the digestive atomach of the ox; thus forming a true digestive fluid, precisely like the natural Gustric Juice in its chemical powers, and turnishing a complete and perfect substitute for it.

This is nature's own remedy for an unhealthy stomach. No art of man can equal its curative newers. It contains no alchohol, bitters, acids, or Storage, Shipping & commission Merchants. nauseous drugs. It is extremely agreeable to the taste, and may be taken by the most feeble patients who cannot out a water cracker without scute distress. Beware of drugged imitations. Pepsin is not a drug.

Half a teaspoonful of Pepsin infused in water, will digest or dissolve five pounds of Roust beef in about two hours, out of the stom ch.

SCIENTIFIC EVIDENCE! The scientific evidence upon which this remedy is based is in the highest degree curious and remarkable.

Call on the agent, and get a descriptive circular, gratis, giving a large amount of scientific evidence, from Liebig's Animal Chemistry; Dr. valids. No. 207 Main Street, Buffalo, N. E. DR. G. C. VAUGHN'S VEGETABLE LITHOUTRIPTIC MIXTUR

ALL OVER THE WORLD. is him new locome the only medicine for fleasily size, and to place DROPSY:

I stigge of this communication immediately relieved, as merger of any straining. See Paragolist, for Testimoney while distance and developed distance in the straining like against to a desired which emission the latest market to be because of the straining like against to a desired which emission the plant latest market for the most distance and of the most distance and the straining distances. RITHERTO INCURABLE,

it now yields in this remotive and Physicians was it philists, as privately with perfect success. Let any one who has ever the appropriate of Droppy, of any observable heap this article by these, this of the second a condition to measure. APPLICATION OF THE KNIFE. to perform the system and let the accumulated water feet actay and to the actum of the first seed to the system and finally to seed in a finally to seed in the finally to the state of at any stage of this disease, and a sungue costain, if they will give a fair total.

GRAVEL, and all disease of the usings organs; for those distanting nom-plaints, it stands above; too other article can polars you, and the cares testing to will construe the most emption?; - See pamphing DEBILITY OF THE SYSTEM, weak back, weakness of the Kidneys, &c., or inflammation of a is immediately releved by a few days' non-of this medicine, a cupe is always a result of its use. It stands us

A CERTAIN REMEDY for each complaints, and also for derangements of the fer IRREGULARITIES, SUPPRESSIONS, painful mentivations. No article has ever been affored except tigs which would touch this kind of derangements. It may be select upon as a cure and effective remedy, and slid we feel permitted to do so

A THOUSAND NAMES as press of curse in the distressing class of compolitate. See, while. All broken down, debitiated considerations, from the off-memory, will find the branch proces of this action to act, directly, and the pressurements embers; evaluated from the greatest. This 26 electron temperature within companion structer, manufact, selects particularly in the application of the compountd, for the ding class of complexity within the head they present there has been used to the carth of Europe, a

CERTAIN BOTANICAL AGENT, certain botanical agent; which is nil diseases or derangements of the faunts frame, obstractions, difficulties, susinful menorantions, Eq., has effected a careflict root is indigenous to our sail, and found in large quantities, and as such chain property, stands without an equal; if force one of the compounds in the prescription, which, as a whole, it the best reasels are given to a behillisted feature it is some, and the system will be restored in breith for it tue. For the relief of all \$5 mancheth: Diseases at endeat on gragamors a large three distressing and painful troubles which occur not more body to margined and unmarred fermine, the which often occur not margined and unmarred fermines. The discussion of the structions which arise from taking quid, Ec.
CONSUMPTION are Lives Course, and converse these periodicals destructions which arise from taking quid, Ec.
CONSUMPTION are Lives Course, the destruction of the Lunge, Cought, Colde, Heaveness, Night, Steeley, Wednesse, School, for all these discusses on Medicine transverse beautiful grant.

CANCERS, FEVER SORES, SCROFULA,

WELLED JUINTS, HARD TUMORS, and SPINAL AF-e EUTINS the Medicine has end is caving the worst cases; let no one afficied with those complaints, or any other, hearing to try this Medicine, as a cure still yearnathir vesual from its use, there being no Medicine name before the world its equal. Call on Agents und get a Passibilet. FEVER AND AGUE To the Great West especially, and whatever these compinints provail, this menticine is offered.

NO MINERAL AGENT,

no deleterious compound is a part of this mixture, it cause those dis-anses with certainty and celerity, and does not leave the system tergis. It is made of roots alone, and is surely a Vegatuble Preparation, and has nothing in its composition which can in the least injurs any person under any circumstances whatever. Numerous certificates of the highest aspectability ats published in the pumphists, which are dis-tributed gratuitosely. PILES. a complaint of a most panuful character, is IMMEDIATELY RELIEVED, and a care follows by a few days use of this article: it is far before any other prevention for the disease, or for any other disease existing from impure blood. See purroblet.

ERUPTIVE DISPASES will find the ulterative properties of this arrows PURIFY THE BLOOD, and drive such diseases from the system. See pumphlet for test many of once in all diseases, which the limits of an advertisement we not permit to be manuel here. Azunta give them away; they cental Expanse of overtication of high character, and a stanger

ARRAY OF PROOF of the virtues of a machine, mover appeared. It is one of the peed features of this article that it never tails to benefit to any same, as tooks and number use left to build upon let the emmissed and its last twistil. HOPE ON,

and keep taking the modicine as long as there is an improve CAUTION THE PUBLIC segment a number of articles which come out under the head as SARSAPARILLAS, SYRUPS, &c., as cores for Droney, Gravel &c.: They are good for nothing, and com-outed to rail the annuary;

TOUCH THEM NOT.

heir inventors never thought of curing such discusse till this article ad done it. A particular study of the samphlet is arrangly selected, Agents and all white sell the article ang GLAD TO CIRCULATE traincely. Put up in 20 oz. bother. If 21; 12 es. do. nr 50 cts.
